RE: Motion of Certificate of appealability, Motion of appeal.
 and In form Pauperes. C-04-2858-JW-(PR) motion
 for extension of time.

Date: November 13, 2007

Dear Judge Ware:

Good day & Happy Thanksgiving to you
 and your family. Enclosed you will find my Motion for Certificate
 of appealability. Please take note that I filed a Notice of
 appeal, motion for extension of time to file COA, and a
 form of In Pauperes. on September 14, 2007.

Please forgive the delay and haste of the motions. Emergency
 Generator testing has been going on here & revealed a faulty generator
 which has resulted in power outages. Which here equals to
 no yard, no law library. Coupled w/ a lock down due to no
 fault of me personally and I have literally had a grand
 total of 6 HRS in the law library for the last 60 days.

Please take notice that a motion for my Record to
 be designated to the 9th circuit is forth coming. From my
 Reading it appears I must do that, and quickly. As I am
 sure you are aware, the sooner the better.

Thank you for your time Sir. Happy Holidays
 Please take notice of the mailbox Rule.

Sincerely,

Paul J. Wilson
